Thursday, September 27, 2018	
EXHIBIT HALL HOURS:	10:00am - 2:00pm
CONFERENCE HOURS:	8:50am - 2:00pm

Why attend Northern California Facilities Expo?

Admission to the Exhibit Floor and Conferences is FREE -

You get informational and educational benefits similar to those of national shows, but without the attendance fees – and without incurring air fare and hotel expenses. The Santa Clara Convention Center is a venue that is convenient and user-friendly for attendees.

Managing Green Buildings -

The Managing Green Buildings portion of Facilities Expo will help you be up to speed on products and services that can help save energy and water; meet energy and environmental regulations; apply toward LEED, Living Building Challenge or ENERGY STAR certification; qualify your facility for utility rebates, and more. Along with the designated Managing Green Buildings section of the show floor, at least half of the educational seminars in the conference focus on energy-efficiency and sustainability.

Meet with Exhibitors -

Our show floor will have exhibits in a wide variety of categories including energy management, HVAC, predictive maintenance, electrical systems, water conservation, lighting, software, safety and many more – staffed by experts who can answer your technical questions. From the floor to the roof – our exhibitors have you covered.

Educational Conference Sessions -

Topics include energy-efficient lighting and controls, facilities management via mobile devices, energy usage analysis and benchmarking, use of drones for building inspections, OSHA regulations, ultrasonic testing, recycling, trained falcons for pest bird control, chiller efficiency, and case histories about green building projects at Microsoft's Silicon Valley campus, UC-San Francisco, the General Services Administration, and the City of San Jose.
