

# APRIL TECHNICAL MEETING

## A2L REFRIGERANTS

### JASON KELLER

Please join us for our April technical meeting with Jason Keller, Field Support Manager for Daikin Comfort Technologies North America Inc. Jason provides technical field support and training for reps and contractors who install, service, and maintain HVAC equipment. With 27 years of experience in the HVAC industry, we appreciate Jason taking the time to introduce us to such important upcoming changes in the HVAC industry.

**APRIL 10, 2024 5:30 PM**

DELTA HOTELS SANTA CLARA

## A2L Refrigerants

Join us for an enlightening session where we delve into the world of A2L refrigerants. Learn how these eco-friendly, low-GWP solutions are reshaping the HVAC industry. From safety requirements to regulatory compliance, we'll explore it all. Don't miss this chance to be at the forefront of sustainable cooling technology!

### Jason Keller

Jason provides technical field support and training for Daikin Representatives and contractors who install, service, and maintain Daikin HVAC equipment. He began his career in the industry while still in High School in Colorado where he still lives with his wife and 3 children. Jason has a wide range of service and install experience encompassing residential, commercial and industrial furnaces, heat pumps, boilers, chillers, and VRV/F HVAC equipment. After 27 years of working in the field and enjoying the satisfaction and rewards of providing solutions for customers and homeowners he now enjoys sharing his knowledge with others in the industry.
